

JOIN THE 10% CHALLENGE

Get your hometown involved!

- **Cut communitywide energy use 10% in a year or less.**
- Get 10% of citizens involved in making household energy improvements or volunteering with the campaign.

Save money, build community spirit, and win these prizes:

- A solar hot water system from EarthKind Energy
- A sail on the Sloop Clearwater for the school group of your choice
- A day of rest and relaxation at Omega Institute for the town/ village board or city council
- A Solar Opportunity Assessment for the community, by staff at The Solar Energy Consortium.

This regional campaign, created by Sustainable Hudson Valley, is tapping new levels of creativity in communities. Why not ours?
