Please summarize your reasons for wanting to participate in this program (use as much space as you wish).

Briefly identify your primary skills and bodies of experience that you hope to build upon through the professional development aspects of this program. (Plz attach resume or CV for details.)

Please describe the primary project you will focus on during the 12 weeks, including the scope of inquiry, the kinds of support you are hoping for and the nature of the product you will create. We know it will evolve.

What else would you like us to know in evaluating this application?

Please submit application with any supporting materials to SHV Program Coordinator Dave Conover **by April 4, 2022 (sooner the better)**.

Email to conover@sustainhv.org. Feel free to be in touch with questions.
